CTBC Internal Triples League 2026

Wherever possible teams will be made up of 4 people, one of whom will be nominated as Captain and be responsible for all arrangements for their team.

Teams will be drawn based on experience and previous competition success. This will hopefully provide healthy competition throughout the season. The draw for teams will take place on Saturday 16th May after the roll-up.

Captains will be the contact for each team and will be responsible for the team's attendance. They will also:

- 🌳 Collect the teams match fee (£3) whenever they play.
- 🌳 Collect full match fees (£9), even if they have less than a full team.
- 🌳 Be responsible for submitting a score card to the League Organiser.
- 🌳 Always try to find a substitute before postponing a match.
- 🌳 Advise the opposing team Captain and League Organiser if postponement is unavoidable.
- 🌳 Advise the Supper team Captain of postponement to avoid waste of food.

Dress will be in accordance with all normal Club Matches and Competitions – White tops or Club Shirts and grey shorts / trousers / skirts.

Matches will be forfeited if a team is not ready to play within 20 minutes of the appointed start time and will entail an automatic loss by 7 shots to 21.

In the event of one team having only 2 members available:

- 🌳 Team B will play with 4 woods.
- 🌳 If Team B win an end, they will still roll the jack.

A Lead : No-one
A Lead : B Lead
A Lead : B Lead
A Second : B Lead
A Second : B Lead
A Second : B Skip
A Skip : B Skip
A Skip : B Skip
A Skip : B Skip

If this happens more than once, a decision will be made between the captains and the competition organiser.

If, exceptionally, only 2 players turn up for each team, a four wood pairs game will be played as an emergency - once only.

Substitutes:

If you are not sure about committing to a team for the whole season – Why not be a Substitute? Occasionally play on a team who is short a player to avoid cancelling or postponing games?

Substitutes may substitute for more than one team. However:

- 👤 They may only be from the distributed list. (Created once subscriptions have been sorted)
- 👤 They may NOT play more than 3 times for any one team.
- 👤 They may NOT play as skip.

Any player not requiring supper should also advise the Supper team Captain to avoid waste of food.

Matches not played on the appointed day must be re-arranged promptly and not left to be arranged at the end of the season.

The first round of matches will be played on Tuesday 19th May 2026. The format will be, teams of four players, taking turns to play triples each week.

The Captain will be listed first in each team and the team can decide their order of play before each game on the score card. The order cannot be changed once the match has begun.

The number of matches to be played will be dependent on the number of teams signed up.

Play will commence at 6:15pm for 19th & 26th May, and 6:30pm thereafter.

Teams:

For a little bit of fun, and to make it more interest on our social media platform, a team name will be encouraged. Themes can be discussed at the Spring meeting.

Suppers:

Supper will comprise of bread, cheese, and pickles.

The amounts ordered will again be decided when the number of teams is known.

When the finalised fixture list is available, each team will know when they are responsible for that week's supper.

Thank you and Good Luck!
