### **CTBC Internal League Cup**

A cup competition between the teams participating in the internal league this year on a straight knock out format.

The final of this competition will be played on a set Tuesday night.

### **CTBC Lucky Dip Cup**

As an extra cup competition, anyone wishing to participate, will be placed into a 'hat'. Teams will be drawn out in threes or fours and a knock out format will ensue.

For this to be as simple as possible we will require a number of members participating to be a multiple of 3 or 4.

Once decided the teams will be drawn 'lucky dip' style from the bag. Once a round of matches has been played, all winners will be placed back into the bag and redrawn.

This will repeat until we are down to 2 teams to play the final.

Examples of how it will work can be found below.

The final of this competition will be played on finals weekend of 22<sup>nd</sup> & 23<sup>rd</sup> August 2026.
